Dear Fiddlehead Families ~

After being away from your beautiful children for more than five months, school finally begins anew next week! The staff has been in the building this week and are busy with training and final preparations for welcoming back your children. We appreciate your patience during this process. I am proud of the way we met the challenge of recreating many aspects of our school while still keeping the same Fiddlehead we know and love. This effort has been tremendous—and I thank each and every staff member, volunteer, and Board Member. It has been a truly humbling experience.

From the link on our homepage, please find our guide materials to use as we begin school. As parents and visitors are not allowed in the building, it is important that you familiarize yourself with the new protocols to ensure a smooth transition back to school. We appreciate your flexibility as we navigate through these uncharted territories.

All my best,

Jacinda
