

COMPREHENSIVE EMERGENCY MANAGEMENT PLAN

The Board hereby adopts the FSAS Comprehensive Emergency Management Plan. The Executive Director shall be responsible for developing, in consultation with staff and persons or agencies with expertise in planning for and responding to emergencies, a comprehensive emergency management plan that identifies and addresses all hazards and potential hazards that could reasonably be expected to affect the school and school facilities.

The Executive Director shall be responsible for ensuring that the plan is implemented and evaluated on an annual basis and whenever the plan is used.

As required by law, the Board will approve the plan annually. Any substantive changes in the plan shall be subject to the approval of the Board.

The following information pertaining to the FSAS Comprehensive Emergency Management Plan is considered public information:

- A. A description of the scope and purpose of the Plan and the process used for developing and updating it;
- B. General information on auditing for safety and preparedness;
- C. Roles and responsibilities of the Executive Director, teachers and staff and the designated chain of command during an emergency; and
- D. Strategies for conveying information to parents and the general public during an emergency.

Except as specified in paragraphs A through D above, those portions of the Comprehensive Emergency Management Plan and any other records describing security plans, security procedures or risk assessments prepared specifically for the purpose of preventing or preparing for acts of terrorism shall not be considered public information under the Freedom of Access Act but only to the extent that the release of such information could reasonably be expected to jeopardize the physical safety of school unit personnel or the public. For the purpose of this policy, “terrorism” is defined as in 1 M.R.S.A. § 402(3)(L) as “conduct that is designed to cause serious bodily injury or substantial risk of bodily injury to multiple persons, substantial damage to multiple structures whether occupied or unoccupied or substantial physical damage sufficient to disrupt the normal functioning of a critical infrastructure.”
