Steps shall be followed:

1. The driver will immediately notify 9-1-1. Whenever possible, the driver should immediately notify the Executive Director.
2. At the scene of an accident, the responding law enforcement agency is in charge.
3. To every extent possible, the driver will provide emergency first aid (airway, breathing, circulation, shock, minor injuries). If the driver is incapacitated, other adult (teacher/chaperone/coach) will assume responsibilities if present.
4. Any driver employed directly by FSAS will provide annual evidence of updated first aid training and any other CDLS requirements as determined by the State of Maine.
5. The parents/guardian will be notified by a school representative.
6. A complete report of injury will be made for students with details of the injury.
7. If the accident involves an employee owned vehicle used for school purposes, the employee must contact the Executive Director as soon as possible. The employee's insurance is in force as the primary coverage and Fiddlehead School of Arts and Sciences will refer additional claims, if necessary, to the FSAS insurance vendor.
