Health & Safety Considerations

(Physical Distancing, Hand Hygiene, PPE & Isolation Room)

- RE-teach standard precautions procedures such as hand hygiene, social distancing, mask etiquette, etc.
 - Scheduled times for and reinforce hand hygiene, space and material cleaning.
- ~~· Students may interact between PODS in outdoor spaces only, still maintaining social distancing guidelines.~~
- ~~· 3' social distancing for students in place, 6' for Adults remain intact.~~
- ~~· Sneeze guards per student no longer required, but used if available.~~
- ~~· Current face coverings procedures will remain in effect. A universal masking policy exists.~~
- ~~· POOLED TESTING is in effect for all students and staff.~~
- A dedicated medical Isolation room is available for students/staff who exhibit COVID-19 symptoms during the school day.
- **Personal Protective Equipment** – Additional safety precautions are in place for our school nurse and/or any staff supporting symptomatic students in close proximity, when distance is not possible, or when students require physical assistance.
- Proper hand hygiene training is in place for all staff and in turn, all students.

Pick Up & Dismissal:

(Symptom Screening at Home Before Coming to School - for all Staff and Students)

- ~~· Arrival and dismissal times will be staggered to accommodate traffic flow.~~
- ~~· 2 lanes for grades Pre – K to 2nd Grade drop off and pick up will be developed.~~
- ~~· Daily health check must be filled out, but only 1 per family needed – i.e. The Cotton Family.~~
