## Smile !! It's School Photo Days !!

### Important Info:

Students will be having photos taken next week :) In a few weeks, we will receive a proof sheet for each student and we will send it home with them. This is how you will order any photos that you would like. You do NOT need to send any money up front for photo day.

As a reminder, we allow and encourage all students to have a water bottle with them that may be refilled at our bottle filling stations throughout the day. We do not permit students to come to school with drink cups or cans (Dunkin, McDonald's soda cups, Coke cans, coffee, loaded teas, Monster, etc). Students MAY bring something else for drink with their lunchtime only (juice pouch, etc) but it must be consumed during the lunch period. Students are not permitted to walk around or be in their classrooms with drinks other than water. If students do come with these drinks, they will be asked to put them in their backpack or give them to their teacher until the end of the day. Thank you for your cooperation.

We are looking for some yard work volunteers for small projects, such as weeding, sweeping, trimming, trash, etc. If you have even a spare hour or two and would love to help, please let us know :)  
Thank you!
