School Photo Days
We will send out a specific schedule of
which grades will be on which day soon.

Happy First Week !!

Important Info:

Dear Fiddlehead Families,

State testing (also known as NWEAs) for grades 2 to 8 will be starting Monday, Sept. 14th and will cover reading and math concepts. Teachers will reach out soon with exact session dates and times. Student attendance is very important during these sessions. Fiddlehead staff will do everything possible to reduce student stress and to make the process as smooth as possible. Please feel free to reach out if you have any questions to Hayley Jordan (hayleyj@fiddleheadschoo.org) or Mr. Manjourides (jasonm@fiddleheadschoo.org).

Thank you and take care!

Hayley Jordan
RTI Coordinator

Our students go outside for recess and outdoor classroom in all types of weather; rain, snow, slush, cold, etc. Please make sure your child is coming to school with appropriate outdoor gear; raincoat, rain boots, gloves, hat, etc. Thank you so much !

At Fiddlehead, the office uses an app called [REMIND](#) to communicate with families regarding school closings, delays, or any urgent / timely information. Please take a moment and download the app and join our "class" by using the code [@gg2KKC6](#)
